PART 1: GENERAL TERMS

1. THESE TERMS AND CONDITIONS

- 1.1 These terms and conditions (together with certain other documents as explained below in clause 2.1) comprise the agreement for Wealth Management Services between you and the Bank. You will complete and accept a form incorporating these terms and conditions by reference as part of your agreement with the Bank. You agree that any electronic or other method of acceptance of these terms and conditions prescribed by the Bank from time to time will constitute your acceptance of an agreement to be bound by these terms and conditions as if you had accepted and agreed to be bound by them in writing.
- 1.2 This Part 1 includes the general terms that apply to all services pertaining to Wealth Management Services and products provided under the Bank's agreement with you.
- 1.3 Parts 2 to 4 of these terms and conditions include terms that also apply accordingly if the Bank agrees to provide you with specific services pursuant to your requests from time to time.
- 1.4 If you ever have any questions about these terms and conditions or the Bank's services, you may contact the Bank by following the relevant instructions on the Bank's website.
- 1.5 Your attention is drawn to the risk warnings in Appendix 1 and any other risk warnings the Bank may provide to you for your information from time to time in respect of certain types of investments, transactions, products or services.
- 1.6 For information about how words or phrases are used in these terms and conditions, please see Appendix 2.

2. THE BANK'S AGREEMENT WITH YOU

2.1 The Bank's agreement with you comprises:

2.1.1 these terms and conditions;

2.1.2 any form, including any account opening form or other similar documents provided to you by the Bank that you have completed and submitted to the Bank in which you request to use any investment services;

2.1.3 the schedule of fees (which will be made available to you via the website or at one of the Bank's branches upon request or otherwise and applies as amended from time to time); and

2.1.4 any other documents prepared by the Bank containing specific terms applicable to an investment or investment services offered to you by the Bank under these terms and conditions.

2.2 In the event of an inconsistency between the terms of the documents described in clause 2.1, the terms shall prevail in the following order:

2.2.1 a document of the type described in clause 2.1.4 (if applicable);

2.2.2 a form of the type described in clause 2.1.2;

2.2.3 the schedule of fees; and

2.2.4 these terms and conditions.

2.3 The documents set out in clause 2.1 shall hereinafter collectively be referred to as the agreement between you and the Bank.

2.4 The documents set out in clause 2.1 will together form a single binding agreement between you and the Bank. However, please note that these terms and conditions do not override or replace any other terms and conditions you may have separately

agreed with the Bank in relation to any accounts, products or services outside of those provided under these terms and conditions. In particular, you may have separate terms and conditions that apply to other services provided by the Bank to you; and you may have given the Bank a delegation of authority allowing it to open an account and/or trade shares for and on your behalf.

- 2.5 You agree that these terms and conditions are activated and become a binding agreement between you and the Bank when one or more of the following occurs:
- 2.5.1 the Bank accepts your form in which you request to use any investment services;
 - 2.5.2 you use, or agree to use, any investment services; and/or
 - 2.5.3 further to your request (however made), the Bank agrees to offer you any investment services provided under these terms and conditions.
- 2.6 You agree that these terms and conditions between you and the Bank will come into effect by any means permitted by applicable laws, including pursuant to any implied consent that you may grant by acting in a manner consistent with your indication of acceptance of these terms and conditions, including in accordance with clause 2.5. For the avoidance of doubt, to the extent permitted by applicable laws, you will not be required to sign these terms and conditions for them to become a binding agreement between you and the Bank. However, you agree that the Bank reserves the right to require you to do so.
- 2.7 This Part 1 constitutes the generally applicable terms and conditions, and will apply to all wealth management services provided under these terms and conditions. You will complete one or more forms in which you will indicate which particular wealth management services you wish to obtain from the Bank from time to time. If the Bank agrees to provide you with such wealth management services, the corresponding Part will then apply to you accordingly and will become part of your agreement with the Bank.

- 2.8 You may wish to avail yourself of additional wealth management services offered by the Bank following the activation of these terms and conditions between you and the Bank. You must complete and submit the relevant form prescribed by the Bank from time to time for the purposes of requesting the provision of the relevant investment services. If the Bank agrees to provide you with such additional investment services, the Part of these terms and conditions corresponding to such investment services will apply to you and your relationship with the Bank and will become part of your agreement with the Bank.
- 2.9 You must be an existing client of the Bank under the Bank's consumer banking terms and conditions as a precondition of your establishment of any account pursuant to these terms and conditions. In addition to any investment account held by the Bank for you as contemplated by these terms and conditions, you agree to the Bank opening and maintaining any other investment, current, or any other accounts for you as may be necessary for the purpose of providing you with any relevant investment services to you and/or administering and recording payments by you (and/or to combine, consolidate or set off any balances owed by you).
- 2.10 The General Terms and Conditions for Accounts and Banking Services may apply to any accounts opened and maintained by the Bank pursuant to clause 2.9. To the extent that the General Terms and Conditions for Accounts and Banking Services conflict with these terms and conditions, these terms and conditions shall prevail. You further agree that the Bank may debit, credit or transfer funds to or from your accounts without your prior consent or notice in order to process any instructions given by you to the Bank or in respect of any amounts owed by you to the Bank or any third party service provider under these terms and conditions.

Third-party service providers

- 2.11 The Bank is entitled to delegate or outsource the performance of any service under these terms and conditions to any suitably qualified and experienced third-party service provider, including any of the Bank's affiliates.

- 2.12 The Bank will act reasonably, fairly and professionally and exercise reasonable skill, care and judgment, at all times, when appointing third-party service providers.
- 2.13 The Bank may also introduce you to a third-party service provider (which may be an affiliate of the Bank) and arrange for such third-party service provider to provide you directly with services relating to your investments.
- 2.14 The Bank shall not be liable for any liability or loss (including lost profits or loss of opportunity) arising out of or in relation to any services arranged for you by the Bank (including your reliance on any advice or services provided by a third-party service provider) unless any actual loss or liability is a result of the Bank's negligence and misconduct.

3. HOW YOU COMMUNICATE WITH THE BANK

- 3.1 The Bank may, from time to time and in its discretion, require you to send communications in a specific form or by a specific method, depending on your client profile or the investment service to which the communication relates, or for any other reason that the Bank considers appropriate.
- 3.2 Except as otherwise specified by the Bank from time to time and depending on the nature and content of such communication, such communication may be sent to the Bank:
- 3.2.1 in writing, by email or by secure messaging to the contact details available on the website; or
- 3.2.2 via electronic communication channels approved for use by the Bank for purposes of these terms and conditions from time to time.
- 3.3 In the case of a communication which is a formal communication (such as a demand or notice required to be given under these terms and conditions), this must be

delivered by hand or sent by registered post or any means of communication that the Bank may specify in the future.

- 3.4 All communications will only be deemed to be validly given or served by you when received by the Bank.
- 3.5 In respect of any communications that are required to be made by you in writing, the Bank will only act upon such communications where they are duly signed by you (in physical or electronic form) or your authorised representatives as per the specimen signature contained in the Bank's records.
- 3.6 The Bank will treat as genuine and process any communications that the Bank believes in good faith to have been issued by you (or your authorised representatives) and the Bank will not be obliged to confirm or verify the authenticity of the communication.
- 3.7 Where the Bank receives instructions or purported instructions by letter, electronic communication or any other method acceptable to the Bank, the Bank may act (or procure that a third-party service provider or agent of the Bank acts) without further enquiry as to the identity or authority of the person giving any such instructions or the authenticity of the communication and may treat this as fully authorised by and binding on you. This will be the case regardless of the amount of the transaction or any error, misunderstanding, lack of clarity, fraud, forgery, or lack of authority in relation to the communication, and the Bank will also not be required to obtain further confirmation from you in any form. The relevant Bank representative may choose to perform signature verification in line with the Bank's usual practice and by reference to any signatures supplied to the Bank in accordance with clauses 5 and 8.1.
- 3.8 The Bank may require that any instructions given by telephone should contain a telephone identity number or other identifying code as the Bank may from time to time specify. You will be responsible for any improper use of any such identity number or code. The Bank may record telephone instructions using any method

convenient to the Bank. In the absence of manifest error, the Bank's record of any instructions will be conclusive and binding.

- 3.9 The Bank will not be liable for any damages incurred in connection with the loss, theft, corruption, alteration or disclosure of any emails, or any other electronic messages or communications (including by the submission of forms made available electronically) between you and the Bank unless such loss or damage is not a result of the Bank's negligence or misconduct.
- 3.10 The Bank is entitled to refuse to comply with any instructions communicated by you to the Bank pursuant to these terms and conditions. In such circumstances, the Bank will take reasonable steps to notify you in accordance with clause 4.
- 3.11 Where instructions are given, forms are submitted or execution pages of documents are provided to the Bank by scanned image, email, a photocopy or any other form (other than the original), the Bank may refuse to act on this until it has received the original. Where the Bank agrees to act in reliance on the copy, you will provide the Bank with the original within the time requested by the Bank for you to do so. If you fail to do this, the Bank will be entitled to reverse any action taken in reliance on the copy, at your cost.
- 3.12 You will indemnify the Bank and any third-party service provider (and their respective directors, personnel, agents and correspondents) for all actual costs and losses, they incur arising out of or in connection with anything done or omitted pursuant to any instructions given by you (whether by email, fax, letter, telephone or otherwise).
- 3.13 Instructions are considered to have been received, on receipt, when they are received during business hours by the Bank's dealing and administration unit, or at the start of the next business day when they are received outside business hours.

Limitation of liability

- 3.14 While the Bank will take all reasonably practicable steps to ensure that your transactions are secure and all communications between you and the Bank are private and confidential, you agree and understand that electronic communications between you and the Bank are not a completely reliable, secure and confidential means of communication.
- 3.15 If you choose to communicate and/or receive communications through electronic communication channels, except in circumstances where the Bank's Liability cannot be limited or excluded under the applicable law, it is entirely at your own risk. Accordingly, except to the extent where the Bank's Liability cannot be limited or excluded under the applicable law, neither the Bank nor its affiliates will be responsible for any liability or loss (including lost profits or loss of opportunity) arising out of or in relation to:
- 3.15.1 the generation, delivery, management and/or receipt of any communications through electronic communications channels;
 - 3.15.2 errors or delays in the transmission of any communications or any unauthorised alteration, usage or manipulation of the information contained in them or otherwise caused as a result of their delivery;
 - 3.15.3 viruses arising from any electronic communications; and/or
 - 3.15.4 any unauthorised access by, or disclosure of confidential information to, third parties as a result of the receipt or delivery of data via the means described in this clause 3.15.
- 3.16 In addition to any other limitation or exclusion of the Bank's liability under these terms and conditions, the Bank and third-party service providers will not be responsible for any liability or loss (including lost profits or loss of opportunity) arising out of or in relation to:
- 3.16.1 any unauthorised transaction effected through any electronic

- communication before you have notified the Bank of the unauthorised transaction or any misuse, loss, disclosure or theft of your information;
- 3.16.2 any fraudulent activity carried out through an electronic communication (unless the fraudulent act was carried out by the Bank);
 - 3.16.3 your failure to observe any of your security obligations under these terms and conditions;
 - 3.16.4 your access or use of the electronic communication channels provided by the Bank in a manner, or for a purpose, not authorised by the Bank;
 - 3.16.5 any loss of any information or instructions in transmission due to unforeseen circumstances;
 - 3.16.6 any unauthorised access by any third party to any electronic communication channels provided by the Bank and any of your investment account information;
 - 3.16.7 the delivery, mistaken delivery, deletion or failure to store any instructions communicated via electronic communication channels;
 - 3.16.8 transactions that occur pursuant to instructions provided via electronic communication prior to termination of your access to the relevant electronic communication channels provided to you by the Bank;
 - 3.16.9 your use of electronic communication channels including, if applicable, any material, data and/or software downloaded or otherwise obtained through the use of electronic communication channels; and/or
 - 3.16.10 any damage caused to your hardware or software resulting from your use of electronic communication channels unless any actual loss or liability is a result of the Bank's negligence and misconduct.

4. HOW THE BANK COMMUNICATES WITH YOU

- 4.1 Any communications or notices required to be given by the Bank (or a third-party service provider on its behalf) to you may be delivered by hand in person to you by the relevant Bank representative, given in writing sent by mail (prepaid postage) to your address on record with the Bank, through any method of electronic communication including fax, email, SMS, telephone, secure messaging, MobileApp or through any other means permitted by applicable laws. Such communication will be considered to have been received by you where:
- 4.1.1 it has been delivered to you in person on the date of delivery;
 - 4.1.2 it has been sent by post to your address on record with the Bank, on the second UAE business day after the day of posting;
 - 4.1.3 it has been sent by courier to your address on record with the Bank, on the day upon which the courier company confirms delivery;
 - 4.1.4 it has been posted on the Bank's website, on the day upon which such posting comes online; and/or
 - 4.1.5 where it is sent by any electronic communication, on the day of sending.
- 4.2 In the event that the Bank receives any communications addressed to you from a third party, the Bank will, as soon as is practicable, forward any such communications to your address on record with the Bank, or alternatively via any method of electronic communication including email, SMS, telephone, secure messaging or otherwise. The Bank will not be under any further duty in respect of forwarding any mail or other communications to you. The Bank is authorised to charge a fee for forwarding all such communications in such manner as it deems fit. The Bank shall be discharged from any responsibility for any liability or loss (including lost profits or loss of opportunity) arising out of or in relation to your failure to receive any such mail or communications, howsoever arising.

5. INFORMATION YOU MUST PROVIDE

- 5.1 When requested, you must promptly provide the Bank with all information, documents, signatures and tax information or self-certifications, which the Bank may require. Please refer to Al Hilal Bank's Privacy Policy available on Bank's website for further details on the personal data we may ask for, for any purpose. This includes, but is not limited to, enabling the Bank to comply with any applicable law, including the satisfaction of the Bank's anti-money laundering and Know Your Customer requirements in connection with the relationship between you and the Bank, or in connection with any tax obligations. This information may include, but is not limited to, your account information and any further information, documents or certifications about your identity, tax residence, nationality or the source of any funds deposited with the Bank or used to purchase any investments or services through the Bank, that the Bank may request from time to time. This also includes any information or documents that the Bank may require for the purposes of its own internal policies and procedures. Furthermore, additional documents for verification may also be required before any relevant services can be provided to you by the Bank. The Bank will not be liable for any delays or losses (including lost profits or losses of opportunity) that may occur as a result of these requirements.
- 5.2 You agree that (notwithstanding any other provision in these terms and conditions) if you do not provide the Bank with information and documents that the Bank requests, or you provide inaccurate, incomplete or misleading information and documents, the Bank may:
- 5.2.1 close your account and/or terminate its relationship with you;
 - 5.2.2 refuse to process any transaction order or provide you with any further investment services; and/or
 - 5.2.3 transfer any assets held in your account to a third party of your choice.
- 5.3 The Bank needs to use information about you for different reasons. By using any of

the Bank's investment services, you consent to the Bank managing your account, providing its investment services to you and others, and meeting its regulatory obligations. You also consent to the Bank sharing your information with its trusted third parties for these purposes. You can find out more about how the Bank keeps and uses your information in the Bank's Privacy Policy.

Information and documentary obligations

- 5.4 You warrant, represent and undertake that any information and documents that you provide to the Bank will be complete, true, accurate and not misleading and you authorise and agree to the Bank's verification of any such information and documents from whatever sources it considers appropriate.
- 5.5 You must promptly (and in any event within thirty days of the change or of your becoming aware of the likelihood of such change) notify the Bank in writing and keep it updated of any changes in your employment, business, address, nationality, residence status (including tax residence) or any other information and documents that you have provided to the Bank from time to time. If you are or become, or take any steps to become, a citizen of the United States of America or otherwise become subject to US tax obligations, you must immediately notify the Bank in writing.

Recording telephone calls and other communications

- 5.6 You hereby consent to the recording of telephone conversations between you, and any of your authorised persons, directors, officers and employees, and the Bank's employees and representatives, and to the Bank retaining all communications sent to the Bank by you or on your behalf in any medium. If relevant, you agree to obtain any necessary consents from (and give any necessary notice of these recordings and retention to) your authorised persons, directors, officers and employees. You also agree that, to the extent permitted by applicable laws, these recordings and all communications may be submitted as evidence in any dispute between you and the Bank.

Records retained by the Bank

- 5.7 The Bank may, throughout the term of your use of any of the Bank's investment services and anytime thereafter, retain any information, communications and documents pertaining to you and the services provided by the Bank to you, in electronic format or by such other methods of storage as may be convenient to the Bank. You agree that printouts or copies of all such documents will constitute conclusive evidence of the genuineness of the contents thereof.
- 5.8 With the exception of cases of manifest error, the information contained in the Bank's records will be conclusive and binding evidence of any transactions between you and the Bank including but not limited to those effected by instructions given verbally, in writing or electronically and as such, any certificate or any other statement issued by the Bank will be final and conclusive evidence, subject to any right granted to you under these terms and conditions or our Privacy Policy to dispute the accuracy of any such information.
- 5.9 You hereby waive any right which may entitle you to apply for the auditing or production of the records, other than as provided for in our Privacy Policy or in order to comply with an order of a court or other relevant authority with jurisdiction over the Bank.

6. YOUR INVESTMENT ACCOUNT

- 6.1 Your investment account includes all accounts that shall be utilised for the purpose of providing you with investment services. This shall include any accounts or sub-accounts opened by the Bank in your name for the purpose of facilitating the provision of investment services by the Bank to you pursuant to these terms and conditions. For the avoidance of doubt, you agree that the Bank shall have the right to open accounts and sub-accounts in your name for the purpose of facilitating the provision of investment services to you without seeking your prior consent or approval. Your investment account shall be used to fund your investment

transactions and all costs, fees, charges and expenses associated therewith. The investment account shall also be credited with any income generated by your investments.

6.2 Subject to these terms and conditions, the Bank shall hold in your investment account:

6.2.1 all cash received by the Bank from you or for your account for the purposes of purchasing investments on your behalf;

6.2.2 all cash received by the Bank and/or a third-party service provider for your account as a result of the sale of investments on your behalf; and

6.2.3 all income, dividends or other payments received by the Bank in respect of investments held by the Bank for you in accordance with these terms and conditions. The Bank will make arrangements to collect and receive such payment into your investment account.

6.3 Subject to clauses 6.4 and 9, the Bank shall make payments from the investment account without further instructions from you, and you hereby authorise the Bank to make such payments:

6.3.1 on the purchase of investments for your account and/or in connection with the registration of your investments in the name of a third-party custodian or nominee;

6.3.2 in connection with the switching or redemption of investments held on your behalf;

6.3.3 to discharge any taxes, costs, fees or expenses properly payable by you in accordance with these terms and conditions;

6.3.4 to discharge any other types of fees, costs or charges incurred by the Bank or a third-party service provider as a result of providing you with services; and

6.3.5 otherwise in accordance with your instructions.

6.4 You must maintain a sufficient minimum balance in your investment account at all times to satisfy any obligations you have in respect of or in connection with services to be provided under these terms and conditions as they fall due. In particular, you agree at all times to maintain a sufficient minimum balance in your investment account to pay for investments purchased on your instructions and to pay any costs, fees, charges or expenses payable by you as they fall due. You agree that if there are insufficient funds in the investment account at any time for these purposes, the Bank may require you to fund your investment account or:

6.4.1 decline to process an instruction on your behalf;

6.4.2 transfer funds as necessary from any other accounts maintained by you with the Bank to the investment account, without further instructions or consent from you.

6.5 The Bank is entitled at any time to cancel any standing instructions communicated by you to the Bank. In such circumstances, the Bank will take reasonable steps to notify you in accordance with clause 4.

7. YOUR PORTFOLIO

7.1 All proceeds of sales and all other income received in respect of investments in your portfolio will be paid into your investment account as and when received, where they will be available for reinvestment or for withdrawal by you subject to any requisite minimum balance as determined by the Bank from time to time and subject to these terms and conditions.

7.2 Additional contributions to your portfolio may be made at any time.

- 7.3 You may from time to time decide that you wish to withdraw a particular sum from your portfolio. To the extent there is sufficient cash in your portfolio (after taking into account any commitments made by the Bank on your behalf at that time), subject to clause 11, you may instruct the Bank to withdraw such sum.
- 7.4 You may also instruct the Bank to sell some or all of the investments in your portfolio. Subject to clause 11, the Bank will endeavour to process and/or execute this instruction, but you agree that such sale may take an indeterminate amount of time (such that the funds may not be available for withdrawal immediately) and that you will be responsible for all costs, fees or expenses incurred in relation to such sale. You also agree that any requested sale of illiquid investments or of a large proportion of the investments held in your portfolio at short notice may result in losses and that you will be responsible for any losses, including any lost profits, suffered or incurred, directly or indirectly, as a result of such sale.

8. YOUR AUTHORISED PERSONS

- 8.1 If you wish, you may appoint one or more persons to deal with the Bank on your behalf (for example, to give the Bank instructions or sign certain documents for you). If you wish to do this, you agree that the Bank may ask you and the person you wish to appoint to enter into a separate agreement with the Bank. You must comply with the Bank's or the relevant third-party service provider's requirements for the provision of the names and specimen signatures for your authorised persons. You must also promptly notify the Bank of any changes made from time to time to the list of your authorised persons and provide the Bank or the relevant third-party service provider with enough time to act on this.
- 8.2 The Bank is entitled to rely on the list of authorised persons on record with the Bank and on any instruction given by a person included in that list. References in these terms and conditions to you will also be taken to include a reference to your authorised persons, as applicable. For the avoidance of doubt, when acting in the capacity as your authorised person under these terms and conditions, such

authorised person and all actions taken and instructions given pursuant to such authorisation, shall be subject to these terms and conditions, as applicable and in particular to clause 3 of Part 1 of these terms and conditions.

- 8.3 The Bank shall not be required to enquire as to the reason for the giving of any instructions nor the content thereof and you shall indemnify the Bank and keep the Bank indemnified on written demand against all actual losses, claims, actions, proceedings, demands, damages, costs and expenses incurred or sustained by the Bank of whatsoever nature and howsoever arising out of or in connection with the Bank acting or declining to act on instructions provided by your authorised persons.
- 8.4 Any transaction effected by the Bank in reliance upon instructions received from an authorised person shall be undertaken in accordance with these terms and conditions.
- 8.5 For the avoidance of doubt, information given by or to one of your authorised persons for the purposes of these terms and conditions shall be considered to have been given by or to you, as appropriate. You are also required to ensure your authorised persons comply with any provisions of these terms and conditions binding on you, as applicable.
- 8.6 In the event of your death or legal incapacity or if you revoke the authorisation provided to the authorised persons, the authority of the authorised persons to act in respect of any account subject to these terms and conditions shall automatically cease to be effective as of the date upon which the Bank receives written notice of such death, legal incapacity or revocation.
- 8.7 You agree that any and all acts and/or instructions of any authorised person shall be binding upon you in the same manner as they would be had such acts and/or instructions been directly committed or given by you.

9. FEES, COSTS AND EXPENSES

- 9.1 You may access the schedule of fees and required investment amounts associated with the investment services provided to you by the Bank under these terms and conditions at any of the Bank's branches upon request or through the Bank's App or website.
- 9.2 You must pay the Bank the fees it charges for its services in line with the relevant schedule of fees issued by the Bank, as amended from time to time with prior notice, through the Bank's electronic channels or website. The Bank is entitled to change the schedule of fees at any time and to charge special rates in relation to services which it considers exceptional in nature provided such exceptional rates are notified to you as per clause 4 Part 1, disclosed through Bank's electronic channels before the relevant service is performed as per applicable laws.
- 9.3 You are also liable for all costs, fees, charges, expenses, levies, taxes and duties arising from or in relation to any dealings conducted on your behalf or services provided to you under these terms and conditions by the Bank and/or its affiliates or any third-party service provider appointed in connection with the same. You hereby consent to the Bank deducting any such costs, fees, charges, expenses, levies, taxes and duties from your investment account or any other account that you hold with the Bank without providing you with any prior notice.
- 9.4 For the avoidance of doubt, the Bank is entitled to recover from you any costs, fees, charges expenses, levies, taxes and duties of any kind paid or payable by the Bank to any fund manager, investment advisor, broker, exchange, regulatory authority, governmental authority, third-party custodian or another third-party service provider in relation to any investments and account subject to these terms and conditions or any other services provided to you by the Bank, without providing you with any prior notice. You should also be aware that such costs, fees, charges and expenses are not guaranteed to remain at current levels and may change in the future subject to communication as per applicable laws.

- 9.5 You agree that the Bank is entitled, with prior notice through the Bank's electronic channels or website or any other means of communications, to levy or impose all customary banking and other charges or expenses in connection with investment services it provides to you and any accounts opened in relation to those services.
- 9.6 You agree that you will increase any sum payable to the Bank under these terms and conditions by such amount as may be necessary to allow for any deductions or withholdings and (if the Bank so requires) authorise the Bank to pay such amounts on your behalf and debit any account you hold with the Bank accordingly with the full amount.
- 9.7 You agree that you will indemnify and hold harmless the Bank and any third-party service providers against any actual loss or liability which the Bank may suffer, pay or incur as a result of or in connection with the performance by the Bank in good faith of its obligations and services to you under these terms and conditions. The Bank will not be required to take any action on your behalf unless fully indemnified to its satisfaction for all actual costs and liabilities it may suffer as a result. This includes any actual loss incurred by the Bank as a result of a claim made or brought by a third party arising out of the use of any account as contemplated by these terms and conditions.
- 9.8 All amounts payable by you to the Bank under these terms and conditions shall be paid without set-off, deduction, counterclaim or withholding for any reason whatsoever.

General undertakings

- 10.2 You are not permitted to open a trust or similar account without the Bank's express consent. You must inform the Bank if your account is being opened and held on behalf of (including on trust for) third-party beneficiaries, and you must provide the Bank with any information and documents requested by the Bank to enable it to establish the identities of the ultimate beneficiaries of such an account. You acknowledge that any such trust or similar arrangement is between you and the third-party beneficiaries. For the purposes of the operation of such an account, the Bank shall be under no obligation to ensure, nor shall it be liable for ensuring, that the account is operated in accordance with the terms of any trust or similar arrangement.
- 10.3 You must also notify the Bank in writing if there is any material change to the information you have previously given the Bank at any time, including changes to your citizenship or residency status. This applies in addition to any other requirement in these terms and conditions. If such information changes or appears likely to change, you will notify the Bank in writing promptly and in any event within thirty days of the change or of your becoming aware of the likelihood of such change, together with all information requested by the Bank in relation to such matters (including information the Bank requires pursuant to requests by any competent regulatory or other governmental authority) and you agree that the Bank shall have the right to verify any such information from whatever sources it considers appropriate.

10.6 Where the Bank acts as a distributor of investments or services that are expressly structured to be Shariah compliant, such Shariah-compliant investments or services will not be structured, approved or otherwise certified by the Bank as being Shariah compliant. Where the Bank distributes such Shariah-compliant investments or services, the Bank will not have engaged a Shariah board (or similar body) to determine independently whether or not such products and/or services are compliant with Shariah. The Bank accepts no liability with respect to the fairness, correctness, accuracy, reasonableness or completeness of any such determination or guidance by any Shariah board that has certified or otherwise approved such investments as Shariah compliant. In the event that the status of such Shariah compliance should change, the Bank accepts no liability in relation to such change. In deciding whether to invest in Shariah-compliant products, you should satisfy yourself that investing in such products will not contravene Shariah principles and you should consult your own Shariah advisors as to whether investing in such products is compliant or not with Shariah.

Reports and statements

10.7 You must regularly review your account with the Bank and any reports and statements or transaction confirmations made available to you by the Bank in relation to the account maintained in your name by the Bank and the investment services provided to you by the Bank under these terms and conditions. You must notify the Bank in writing of any inaccuracies in such a document no later than thirty days after such document has been made available to you. If you do not, then (in the absence of manifest error), such document will be binding on you and conclusive evidence of the transactions shown in it.

Information and advice

10.8 The Bank will not provide you with any investment advice at any time and will not provide you with any investment appraisal service. You must make your own independent investment decision about investing in any investment, including any investment recommended to you by the Bank pursuant to the investment services provided under these terms and conditions.

10.9 The Bank will from time to time provide you with information on investments and may make information available for inspection or collection at its designated branches or any electronic channels. You agree that, unless otherwise agreed by the Bank in writing, such information is provided for information purposes only, and does not constitute a recommendation or investment advice. You agree that:

10.9.1 your decision as to whether you invest in any investment will be based on your independent judgment;

10.9.2 the Bank accepts no responsibility and shall have no liability whatsoever to you:

10.9.2.1 with regard to any investment whether or not in respect of which it has provided information to you; or

10.9.2.2 for losses, including lost profits, suffered or incurred by you as a result of or in connection with any purchase, sale or redemption of any investment or any other transaction or instruction made or omitted to be made by you on the basis of any information provided by the Bank as contemplated by these terms and conditions.

10.9.3 you are solely responsible for reading and understanding the terms of any investments you apply to invest in (including your eligibility to invest in such investments, applicable fees and charges, and tax consequences of such investments, if any) and for understanding the risks relating to investments of that nature;

10.9.4 you are solely responsible for determining whether you need independent Shariah, legal, financial or tax advice from a qualified third party to understand an investment or investment opportunity and/or the specific risks and conditions attached to it;

- 10.9.5 if you determine in accordance with clause 10.9.4 that you do need independent Shariah, legal, financial or tax advice from a qualified third party, you are solely responsible for procuring such advice;

- 10.9.7 from time to time, the Bank may ask you for information about your knowledge, experience and attitude to risk, but this is for background purposes only and the Bank will be under no obligation to take this into account when providing services to you.
- 10.10 If you wish to raise any questions or seek further details in respect of information provided by a third party in relation to an investment, you will address such questions to the Bank in writing and the Bank will use all reasonable endeavours to obtain a written response to such questions from the appropriate representative or issuer of the relevant investment.

Investment terms

- 10.11 You agree to be bound by all the terms and conditions pursuant to which the Bank, its affiliates and/or any third-party service providers execute any purchase, sale or redemption of any investment.
- 10.12 You agree to be bound by:
- 10.12.1 the terms of any form issued by the Bank, stating that you wish to purchase or sell units in a fund managed by the Bank;
 - 10.12.2 the terms of any term sheet issued by the Bank, stating that you wish to purchase investments issued by the Bank; and
 - 10.12.3 the terms applicable to any investments issued by a third party and purchased by you pursuant to these terms and conditions.

10.13 Signing a form or term sheet described in clause 10.11 will give rise to a contract between you and the Bank that is separate from these terms and conditions but which constitutes part of the agreement between you and the Bank as more particularly described in clause 2.1.

11. THE BANK'S RIGHTS

Creation of pledge

11.1 You hereby unconditionally grant a first priority pledge in favour of the Bank over your investment account and any other accounts maintained by the Bank or its affiliates in your name as well as all investments and any other assets in your portfolio held or maintained by the Bank or its affiliates on your behalf pursuant to these terms and conditions, as security for the irrevocable and unconditional payment, performance and discharge of any liabilities that you may incur in favour of the Bank. You agree not to assign or charge to any third party by way of collateral, pledge, lien, mortgage, charge, guarantee, assignment, undertaking or any other similar security amounts held in your investment account. Any such activity will not be recognised by the Bank.

11.2 You agree that the value, type, and quantity of the investments and any other assets in your portfolio held or maintained by the Bank and the cash in your investment account or any other accounts maintained by the Bank in your name may fluctuate from time to time and that this will not affect the validity or enforceability of this pledge over your accounts (including your investment account) and portfolio.

11.3 Accordingly, you agree that:

11.3.1 the pledge created by this clause 11 shall apply to all cash, investments and any other assets contained in your accounts and portfolio at any given point in time; and

11.3.2 the description of the cash, investments and any other assets contained in these terms and conditions is of sufficient certainty to cover such cash,

investments and assets contained in all of your accounts with the Bank and in your portfolio whether now existing or in the future.

11.4 You agree that you shall, upon the Bank's first request, provide and sign any and all documents and do all things necessary to register, record, perfect, and/or enforce the pledge over any of your accounts with the Bank and all investments and any other assets held or maintained in your portfolio. This shall include, but not be limited to, the signing of any power of attorney requested by the Bank, and the signing and completion of any documents or forms required for the registration, recording, perfection or enforcement of this pledge in any jurisdiction.

11.5 You hereby irrevocably appoint the Bank to be your attorney to complete, execute and deliver all documents and to take any actions to perfect all security granted by you in favour of the Bank pursuant to this clause 11. You hereby ratify and confirm all actions taken by the Bank pursuant to this clause 11.5.

Right of set-off

11.6 You hereby consent and agree that at any time the Bank will have a right of set-off against any liability or other amount owed by you to the Bank or its affiliates. The Bank may exercise its right of set-off at any time without further notice to or demand on you and whether or not an event of default has occurred.

11.7 At any time after an event of default has occurred:

11.7.1 the Bank is entitled to terminate this agreement; and/or

11.7.2 the Bank (and/or each relevant third-party service provider) is irrevocably authorised by you to:

11.7.2.1 sell any or all of your investments in such manner, at such times and to such persons as the Bank thinks fit; and

11.7.2.2 apply the proceeds of the sale (and any other cash held by the Bank for you) to discharge any obligations and liabilities owed by you to the Bank (or any relevant third-party service providers, including an administrator, broker, exchange or third-party custodian), in such order and manner as the Bank thinks fit – and the Bank will not be liable for any liability or loss (including lost profits or loss of opportunity) incurred by you arising out of or in relation to any such action.

11.8 The Bank may, without providing you with any prior notice, retain, transfer, consolidate or sell any of your investments and any other assets contained in your portfolio with the Bank so far as is reasonably necessary to:

11.8.1 settle any transactions entered into on your behalf by the Bank, any of its affiliates or any third-party service providers; and/or

11.8.2 pay any of your outstanding liabilities arising in relation to any transaction arising under this agreement or any other agreement in effect between you and the Bank, its affiliates or any third-party service providers.

11.9 The Bank may also take the steps set out in clause 11.9 if the Bank reasonably believes that you will be unable to settle your transactions or pay your outstanding liabilities when they become due.

11.10 The Bank may exercise its right of set-off pursuant to clause 11.6 in respect of any investments or any other assets (including cash) that have been sold or allocated pursuant to the terms of this clause 11.

Closing-out

11.11 If any investment purchased or held on your behalf by the Bank has resulted, or may result in, losses of any nature that should not be sustained or allowed to continue, the Bank may without any prior notice to you:

11.11.1 sell such investment; and

11.11.2 open a Shariah-compliant account in your name for the purpose of allocating the proceeds from any sale pursuant to this clause 11 or any other investments held or maintained by the Bank in your name, as security for such losses for such time as the Bank deems necessary.

Restriction for upgrades and maintenance

11.12 The Bank and its affiliates will use reasonable efforts to ensure the availability of and access to investment services through electronic means, such as electronic banking or MobileApp, in accordance with these terms and conditions. However, availability and access to one or more of these investment services may be delayed, restricted or limited from time to time, without the need for further consent or approval from you or notification to you:

11.12.1 in order for the Bank to carry out any planned or unplanned and regular or one-off upgrades, maintenance or repairs of the Bank's premises, banking systems, website, or MobileApp; or

11.12.2 which may occur as a result of a delay or disruption to any service or system used by the Bank in providing or processing investment services under these terms and conditions.

11.13 To the extent permitted under applicable laws, the Bank and its affiliates shall not be responsible for, and you shall indemnify and hold harmless the Bank and its affiliates from and against, any liability arising directly or indirectly out of any service disruption referred to in clause 11.13.

12. CHANGING THESE TERMS AND CONDITIONS

12.1 To the extent permitted by applicable laws, the Bank may change, replace, supplement or delete any of the terms of these terms and conditions at any time. If there are any changes to these terms and conditions, the Bank will give you prior notice of such changes through:

12.1.1 the website and/or via email;

12.1.2 SMS, MobileApp, secure messaging or internet banking; and/or

12.1.3 any other means of communication as deemed appropriate by the Bank.

12.2 Any such changes shall be effective in accordance with any notice periods prescribed by applicable laws.

12.3 For the avoidance of doubt, the rebranding or renaming by the Bank of any of the Bank's services will not be construed as a change to the terms of these terms and conditions. The Bank will have the unrestricted right to change the branding or name of any of the Bank's services at any time and without any obligation to notify you.

13. ENDING THIS AGREEMENT

13.1 This agreement may be terminated, in whole or in part (including any Part), immediately and at any time by the Bank pursuant to a written communication provided by the Bank to you in accordance with clause 4 and as per applicable laws.

13.2 The Bank may terminate any Part and cease to provide you with any investment services pursuant to such Part. The Bank shall retain discretion as to when it may provide, or cease providing, any investment services pursuant to any Part.

13.3 This agreement may also be terminated by you giving to the Bank not less than thirty days' notice provided in accordance with clause 3. In relation to accounts maintained in the name of more than one person, the Bank shall retain its discretion as to whether it shall require notice from some or all of the individuals in whose names the account is maintained. You are entitled to terminate the provision by the Bank of services under a particular Part in relation to a portion of your overall investment services, in which case the provisions of this clause 13 will apply with such modifications as appropriate in the circumstances.

- 13.4 This agreement may be immediately terminated by the Bank, in whole or in part (including any Part) under any of the following circumstances:
- 13.4.1 if you are no longer a client of the Bank under the Bank's General Terms and Conditions for Accounts and Banking Services;
 - 13.4.2 if you fail to pay any fees, charges, costs, or other monies due to the Bank or any third-party service providers at the time at which such monies become due and payable;
 - 13.4.3 if the Bank receives written confirmation of your death or legal disability;
 - 13.4.4 if the Bank receives an order from a court or other regulatory authority to that effect;
 - 13.4.5 if the Bank believes that funds in your account have been obtained through unlawful means or that your account is being used to effect suspicious transactions;
 - 13.4.6 if the Bank believes that you are likely to lose your primary source of income, and you have existing or foreseeable future obligations to make any payments to the Bank;
 - 13.4.7 if you do not, upon request by the Bank, provide the Bank with any information or documents relating to you and/or your account that the Bank is or may be required to maintain in accordance with any applicable law and/or under these terms and conditions;
 - 13.4.8 if your account is in the process of being closed;
 - 13.4.9 in the case of an account maintained by more than one person, if the joint account holders are in dispute;

- 13.4.10 if you default on any of your obligations towards the Bank, its affiliates or any third-party service providers under the terms of the Bank's General Terms and Conditions for Accounts and Banking Services;
- 13.4.11 if the Bank deems that the continuing operation of your account subject to the terms of this agreement poses a reputational, regulatory, operational, or any other risk to the Bank;
- 13.4.12 if the Bank believes that you may be in breach of any applicable law; and/or
- 13.4.13 if there are any other valid reasons why the Bank believes it is necessary to do so.

13.5 The Bank will provide you with written notice as per applicable laws before closing your account, including reasons for the closure, unless where the Bank is required to close your account due to suspected violation of applicable laws or for prevention of fraud or financial crimes on your account.

13.6 Following termination pursuant to this clause 13, the Bank shall determine whether to complete any outstanding transactions or obligations. For the avoidance of doubt, you agree that you shall be responsible for the payment of any costs, fees, charges, expenses, levies, taxes and duties incurred by the Bank, its affiliates or any third-party service providers in relation to any such outstanding transactions at the time of termination.

13.7 On termination of this agreement:

- 13.7.1 the Bank is authorised by you to arrange the transfer of all of your investments held by the Bank to an account in your name at another bank, financial institution or third-party service provider. For this purpose, you must provide the Bank with the details of that other bank, financial institution or third-party service provider and your account with it, within the timeframe communicated to you by the Bank following the date on which you gave or received notice of termination (or instead you may instruct the Bank to sell

- some or all of your investments), however, the Bank shall have the right to refuse such transfer or sale request;
- 13.7.2 any and all amounts due from you to the Bank, its affiliates or any third-party service providers under or in connection with these terms and conditions (including any costs or fees incurred or to be incurred in connection with its termination and any contingent and future liabilities) shall become payable immediately, and you will be responsible for the settlement of any unpaid sums;
- 13.7.3 the pledge created pursuant to clause 11 shall continue to remain in full force and effect, and the Bank may (without any further notice to or demand on you) exercise its right of set-off, and may for these purposes convert and set off credit and debit amounts in different currencies and make reasonable estimates as to the amount payable or due in respect of any future or contingent claim or obligation;
- 13.7.4 the Bank may without any further notice to or demand on you, sell all or part of the investments in your portfolio to ensure that there are sufficient cleared funds to cover any amounts due to the Bank, its affiliates, or any third-party service provider (or where the Bank decides that it is impossible or impracticable to transfer your investments to the bank or financial institution or third-party service provider that you have designated in line with clause 13.6.1) or you have not complied with that clause, you agree that you will indemnify and hold harmless the Bank, its affiliates and any third-party service providers for any liability or losses as a result thereof; and
- 13.7.5 if any funds remain in your investment account following the settlement in full of all obligations owed by you to the Bank, its affiliates and any third-party service providers in accordance with these terms and conditions, the Bank shall transfer such funds into an account designated by you, or may issue a demand draft in respect of such amount which may be sent to your

address on record with the Bank or may be retained at the relevant branch of the Bank for collection by you.

13.8 In addition to the Bank's general power to terminate this agreement under clause 13.1, the Bank is entitled to terminate this agreement without further notice to you if its reasonable attempts to communicate with you using your address or any other contact details on record with the Bank are unsuccessful. In such case, the other provisions of this clause 13 will continue to apply in the ordinary manner.

13.9 If this agreement is terminated, the Bank is entitled to receive:

13.9.1 a proportionate amount of its periodic fees, where applicable, calculated on a daily basis up to and including the date of termination; and

13.9.2 full reimbursement of all out of pocket costs and expenses incurred by the Bank, its affiliates or any third-party service providers of the Bank as a result of such termination, including any levies or fees incurred in the transfer of your investments pursuant to clause 13.7.1.

14. CLOSING, SUSPENDING, FREEZING, BLOCKING OR PLACING YOUR ACCOUNTS ON HOLD

14.1 While the Bank will reasonably endeavour to give you prior notice as per applicable laws before doing so, the Bank may at any time close, suspend, freeze, block or put on hold your accounts, investments and/or transactions under any of the circumstances set out in clause 13 of these Terms and Conditions or the equivalent clauses in the event that these terms and conditions are altered in the future for any reason.

14.2 Neither the Bank nor any of its affiliates or third-party service providers shall be responsible for any liability or loss (including lost profits or loss of opportunity) arising out of or in relation to any of your accounts, investments or transactions (as applicable) being closed, suspended, frozen, transferred, blocked or put on hold unless such liability or loss is a result of the Bank's negligence or misconduct.

14.3 You will indemnify and hold harmless the Bank, its affiliates and any third- party service providers against any actual liability or losses, arising out of any of your accounts, investments, or transactions (as applicable) being closed, suspended, frozen, transferred, blocked or put on hold.

15. TRANSFERRING TO ANOTHER BANK OR CUSTODIAN

15.1 If you wish to transfer some or all of your investments to another bank, financial institution or third-party service provider (including custodian):

15.1.1 you may terminate this agreement in accordance with clause 13 (this requires the transfer of all your investments); or

15.1.2 you may instruct the Bank to transfer certain investments only, and continue this agreement with any other investments held by you (this allows the transfer of some of your investments).

15.2 Any other type of transfer is at the Bank's discretion and is subject to the payment of any reasonable fees and charges incurred by the Bank, its affiliates or any third-party service providers in connection with the transfer. Also, it will not generally be permitted where your liabilities to the Bank, its affiliates or any third-party service providers have not been fully discharged and/or the transfer would result in your investment account holding less than any prescribed minimum level of cash and investments.

16. LEGAL COMPLIANCE

16.1 You agree that you must comply with all applicable laws at all times, and you will provide the Bank with all reasonable assistance or information requested by the Bank from time to time to enable the Bank, its affiliates or third-party service providers to discharge their obligations under all applicable laws.

16.2 Nothing in these terms and conditions will oblige the Bank to act in breach of any applicable law or its internal policies. In particular, nothing in these terms and conditions will oblige the Bank to conduct a transaction if:

- 16.2.1 that transaction would be contrary to any applicable law, including any related to anti-money laundering and countering the financing of terrorism;
- 16.2.2 that transaction would be contrary to the constitutional documents of the Bank, as amended from time to time;
- 16.2.3 that transaction would be contrary to these terms and conditions or the internal policies and procedures of the Bank, its affiliates or any third-party service providers;
- 16.2.4 that transaction would be contrary to the constitutional documents of the entity in which you intend to invest; or
- 16.2.5 that transaction would be contrary to the principles and rules of the Islamic Shariah, in accordance with Shariah Standards adopted by the Higher Shariah Authority in the Central Bank as interpreted by the Internal Shariah Supervision Committee of the Bank.
- 16.2.6 the Bank, its affiliates or any third-party service providers (for their own account or on behalf of one or more other clients) already hold existing investments in the entity in which, or related to which, you intend to conduct a transaction and the Bank, its affiliates or the relevant third-party service providers would (as a result of the proposed transaction) be compelled by applicable laws or by the constitutional documents of the relevant entity to take any action, or refrain from taking any action, in respect of its own shareholding, or in relation to any other shares in the entity concerned.

16.3 Where you have committed a breach of any applicable law, the Bank may sell some or all of your investments with immediate effect and without further notice to, or demand on, you where the Bank considers this necessary or desirable. The Bank shall not be responsible for any losses, including any lost profits suffered, or for any costs, fees, charges, expenses, levies, taxes and duties incurred by you as a result unless any actual loss or liability is a result of the Bank's negligence and misconduct.

Ownership and other restrictions

- 16.4 Certain investments may be subject to ownership or other restrictions (for example, certain securities may only be purchased by sophisticated or institutional investors or may not be offered to investors that are, or are not, citizens, residents or domiciles of certain jurisdictions). Where you invest in such investments, you must comply with all applicable restrictions and there may only be a very limited market for the investment in question. While the Bank will try to sell any such investment as and when instructed by you, transactions will be subject to, and may be rejected, where they cannot be executed in accordance with applicable laws, the terms of the investment in question or the Bank's internal policies and procedures.
- 16.5 Clients of the Bank who are citizens, residents or domiciles of certain jurisdictions, or who may become citizens, residents or domiciles of certain jurisdictions, may be subject to investment restrictions including restrictions on receiving offering or marketing materials in respect of certain investments. You will be responsible for complying with any applicable law that applies to you in this regard and shall immediately notify the Bank in writing of any such restrictions you are subject to or that you become aware of. The Bank reserves the right to refuse to process any instructions that could give rise to any breach of any applicable law.
- 16.6 You must not place any instructions with the Bank unless you have obtained all required approvals (if any) to invest in the relevant investment and have taken steps to ensure that the placing of the instructions will not give rise to any breach of applicable laws.

17. LIMITS AS TO THE BANK'S OBLIGATIONS

- 17.1 Although the Bank is generally willing to provide you with relevant investment services, it will not be under any obligation to enter into any particular transaction or to accept or act in accordance with any particular instruction. In particular, you agree that:

- 17.1.1 the Bank will not be obliged to accept any investment orders in respect of investments in whole or part;
 - 17.1.2 neither the Bank, its affiliates nor any third-party service providers shall have any responsibility or liability for ensuring that the provider of a relevant investment allots relevant investments to you;
 - 17.1.3 neither the Bank, its affiliates nor any of its third-party service providers shall have any responsibility for any liability or loss (including lost profits or loss of opportunity) which you may suffer or incur as a result of, or in relation to, any refusal by the Bank or any third-party service provider to accept any order from you or of a refusal to accept or delay in processing such an order by the provider of the relevant investment; and
 - 17.1.4 where the Bank has accepted an order, the Bank's sole responsibility is to implement your instructions, subject to these terms and conditions.
- 17.2 Neither the Bank, its affiliates, nor any third-party service providers will be liable or responsible for any:
- 17.2.1 loss of or depreciation in value of your investments. Furthermore, the Bank will not be responsible for any loss resulting from the acts, omissions or insolvency of any issuer of investments or any third-party broker, trader, market maker or dealer, exchange, depository, third-party service provider, agent or nominee selected by the Bank in good faith to effect any transaction in relation to your investments and/or provide safe custody of any of your investments;
 - 17.2.2 act or omission in relation to its duties under these terms and conditions (including a failure to act on any investment orders or instructions received from you or failure to act on a timely basis) except to the extent that such act or omission arises from the Bank, its affiliates or any third-party service provider's gross negligence or wilful misconduct;

- 17.2.3 indirect, special, moral or consequential loss;
- 17.2.4 content, functionality or failure of any electronic communication channels or software, including MobileApp or any other mobile application software (or apps) used or provided to you by the Bank or a third-party service provider, even if the Bank refers or otherwise makes such electronic communication channels or software available to you. The Bank is not responsible for any aspect of your relationship with any such third-party service provider (including with respect to its treatment of your information) or any other conduct of any third party;
- 17.2.5 imperfection, mechanical or operational failure or another failure of any electronic communication channels or any other relevant communication channels including internet, cable, telephone or postal systems; or
- 17.2.6 failure to perform obligations under these terms and conditions to the extent that such performance is restricted or prohibited by any act or omission of a government or another force majeure event beyond the Bank's control.
- 17.3 The Bank and third-party service providers do not give any guarantee or warranty as to the safety or performance of any of your investments or any overall investment strategy you may agree with the Bank. Unless the Bank is guilty of gross negligence or wilful misconduct, you alone will be responsible for any actual liability or loss (including lost profits or loss of opportunity) arising out of or in respect of your investment account or any other account established by the Bank on your behalf pursuant to the terms of these terms and conditions. For the avoidance of doubt, you alone will be responsible for any actual losses, arising out of or in relation to any instructions you provide to the Bank or any other services provided by the Bank under these terms and conditions.

- 17.4 Fluctuations in the value of investments and the income from them and changes in profit and exchange rates mean that the value of any portfolio managed for you may rise or fall. Such fluctuations in value and deductions for charges and expenses mean that you may incur losses. You agree that you will be responsible for any losses, including lost profits, arising out of or in relation to such fluctuations when you submit instructions for execution by the Bank under these terms and conditions.
- 17.5 Investments are not bank deposits and are not guaranteed or endorsed by, and do not constitute obligations of, the Bank or its affiliates. The Bank is not in any way or to any extent responsible for the financial or other performance of investments bought or sold by you as contemplated by these terms and conditions.
- 17.6 You agree that certain investments may not be issued or managed by the Bank. In this case, the Bank will only act as a distributor, agent or broker of the relevant investment and will have no involvement in the issuance, management or performance of the investment or its underlying assets. Where you invest in such an investment, you agree to comply with any relevant terms applicable to the investment and the issuer or manager will have the discretion to accept or reject your subscription request. The Bank will not be responsible for any liability or loss (including lost profits or loss of opportunity) arising out of or in connection with your non-compliance with any of the relevant terms applicable to such investments.
- 17.7 The Bank will be under no duty to:
- 17.7.1 take any action other than as specified in these terms and conditions with respect to any of your investments or cash. The Bank will be entitled to receive and to act on advice of counsel without liability for any action taken or thing done in good faith in reliance on this; or
- 17.7.2 take into consideration any risk profile questionnaire or any other similar risk profile assessment which it undertakes in relation to you unless it is

under a positive regulatory obligation to do so.

17.8 Neither the Bank nor its affiliates will be liable for the acts and omissions of any third-party service provider appointed under or pursuant to these terms and conditions, except where the Bank has been grossly negligent in appointing such third-party service provider.

17.9 Nothing in these terms and conditions shall exclude or restrict any liability where this is prohibited by any applicable law.

18. TIMING

18.1 Further information in respect of dealing days and specified cut-off times for the receipt of instructions, orders or other applications can be obtained from the Bank on request.

18.2 In any case, the Bank will not be obliged under any circumstances to take any action to process transaction instructions outside of normal banking business hours in the jurisdiction in which the relevant transaction instructions are communicated to the Bank and/or in which the relevant investment is purchased or sold, or (if different) outside the dealing days applicable to the relevant investment.

18.3 For the avoidance of doubt, all instructions received by the Bank shall be executed on a "best efforts" basis.

You must take all necessary care to prevent any unauthorised access to such information or items. This includes, but is not limited to, the following measures:

20.8.1 not responding to any request asking for your security information, even if such request appears to have been made by the Bank;

20.8.2 not selecting a password that is easy to guess. In particular, you should not choose a password that contains or represents your date of birth, part of your name or any of your personal details (such as your telephone number) that are accessible to third parties;

21.7 Where you have agreed to pay, repay or reimburse the costs, fees, charges or expenses of the Bank in connection with services provided by the Bank to you under this agreement, other than where it gives rise to a taxable supply by the Bank, you shall also reimburse the Bank for any part of such cost, fee, charge or expense (or proportion of it) which represents VAT, save to the extent that the Bank notifies you that it is satisfied that it will be entitled to credit or repayment in respect of such VAT from the relevant tax authority.

- 21.8 Where pursuant to this agreement you are rendering taxable supplies to the Bank for which you are obliged to account for VAT, the consideration for such supplies shall be deemed inclusive of any VAT chargeable.
- 21.9 Where this agreement allows for suspension or termination where you fail to pay or delay in paying what is due to the Bank, this shall include failure to pay or delay in paying the VAT in addition to the consideration when due in accordance with this agreement.
- 21.10 Where the consideration for any taxable supply of goods or services is subsequently adjusted including (without limitation) on a termination of this agreement, the parties will make all appropriate adjustments to the VAT including the repayment of VAT, the further payment of VAT and the issue of any credit note or further VAT invoice valid for VAT purposes.
- 21.11 If the Bank is uncertain about the VAT implications of any supplies of goods or services pursuant to this agreement or the relevant tax authority determines that the parties' treatment of VAT on such supplies is incorrect in any respect, the parties shall use all reasonable endeavours to cooperate and reach an agreement with each other and with the tax authority, keeping each other fully informed, and make all appropriate adjustments.
- 21.12 You will promptly provide the Bank with all information it requires or requests to comply with its VAT obligations arising from this agreement.

- 23.11 The Bank and you shall make every effort to resolve amicably, by direct negotiation, any disagreement, dispute, controversy or claim arising out of or in connection with these terms and conditions, including any question regarding the existence, validity, interpretation, breach or termination of this agreement.

To the extent permitted by applicable laws, the Bank may bring, issue, commence or pursue concurrent proceedings in any number of jurisdictions.

24.5 You irrevocably agree to submit to the courts of any jurisdiction where the Bank chooses to bring proceedings against you and you waive any objection that you may have on the grounds that they are an inconvenient or inappropriate forum. For the avoidance of doubt and solely for the benefit of the Bank, you also irrevocably agree to submit to the jurisdiction of the DIFC Courts (including the DIFC SCT) and the ADGM Courts (including any ADGM SCT operating from time to time).

24.6.1.2 publication in one or more daily newspapers in the UAE or in your jurisdiction of domicile or residence (as the case may be) or such other jurisdiction as the Bank deems appropriate; and/or

- 24.6.1.3 any other forms of communication, notification or publication permitted from time to time under applicable laws, for service of process.
- 24.6.2 you hereby consent to process being served by any party permitted under applicable laws (including by the Bank itself and/or by any such party on the Bank's behalf where the applicable court has given approval for service of process via such method); and
- 24.6.3 you agree that to the extent permissible under applicable laws, such service of process will satisfy all requirements to establish personal jurisdiction over you and the applicable court.
- 24.7 The Bank may use copies, printouts or electronic versions of fax, email, SMS and other electronic transmissions and data, as well as any of its records, including recordings of telephone conversations between you and the Bank's employees, as evidence in any court, arbitral or other legal proceedings.
- 24.8 You agree that, if requested by the Bank, you will, at your expense, appoint a process agent nominated by the Bank to accept service of process upon you.

PART 2: ADDITIONAL TERMS FOR EXECUTION AND DEALING SERVICES

1. APPLICATION

This Part 2 shall apply to you if the Bank provides you with execution and dealing services from time to time, meaning that the Bank will arrange or conduct such execution and dealing transactions for you at your specific request.

2. APPOINTMENT

- 2.1 You appoint the Bank as your investment agent to arrange or conduct such execution and dealing transactions for you on your request in various types of investments, including securities portfolios and units in funds. The Bank will do this for you as your agent in accordance with clause 3 of Part 1 and this Part 2.
- 2.2 All investments by you will be made pursuant to instructions issued by you or on your behalf to the Bank and the Bank may require such instructions to be in a specific manner or format.
- 2.3 If the Bank arranges or conducts a transaction for you under this Part 2, this does not mean that the Bank is advising you to conduct the transaction, recommending the transaction, or believes that the transaction is suitable for you, notwithstanding whether or not you have completed and submitted a risk profile questionnaire to the Bank.
- 2.4 The Bank will not be responsible for monitoring, on an ongoing basis, any investments you make through the Bank's execution and dealing services. However, if you would like a service where the Bank monitors and/or manages your investments on an ongoing basis, please let your relationship manager or other designated point

of contact as agreed with the Bank from time to time know, and they can discuss with you the other services the Bank or its affiliates can provide.

3. COMMENCEMENT

Where this Part 2 applies, it will come into effect on the date agreed with you by the Bank in writing, or the date upon which the Bank provides you, or agrees to provide you, with execution and dealing services pursuant to this Part 2, notwithstanding whether or not this has been agreed in writing.

4. PURCHASING INVESTMENTS

4.1 If you wish to purchase an investment:

4.1.1 you must instruct the Bank in accordance with clause 3 of Part 1 to authorise the Bank to place an order with the appropriate third-party service provider, representative or issuer of the investment;

4.1.2 the Bank will then place the order as your agent and on your behalf. You acknowledge that in placing the order the Bank may (if it has received orders from other clients for investments or divestments in the same investment) aggregate your order with those other orders and place an aggregated order, or transfer the investment from any other client to you;

4.1.3 you agree that the Bank shall hereby be authorised to debit your investment account or any other accounts maintained by the Bank in your name with an amount equal to the purchase monies and other charges, costs and expenses (if any) required to be paid in connection with the relevant instructions; and

4.1.4 you understand that, in certain cases where the Bank is acting as the distributor of the investment, it may not be possible to complete your order until the issuer or manager of the investment has accepted your order.

4.2 In relation to the aggregation of client orders, you also agree as follows:

4.2.1 if the Bank has placed an aggregate order but has not been allocated or received enough to meet all of its clients' demands, the Bank will use all reasonable endeavours to allocate (or procure that any relevant third party allocates) what is received in a manner that is fair and reasonable; and

4.2.2 where the Bank decides to aggregate orders, this may give rise to a delay in processing times, although the Bank will always have regard to its obligations to execute transactions in line with any duty imposed on the Bank by applicable laws.

Investments promoted by the Bank

4.3 When you purchase an investment through the Bank that is promoted by the Bank and the relevant regulator has approved this investment for promotion by the Bank under applicable laws, this approval is not to be taken as a recommendation to subscribe to the investment, and the relevant regulator will not be held responsible for the investment's performance, the adequacy of the investment for a particular investor's needs or financial condition, for any failure of any of the parties to perform their duties, including any fraudulent or unlawful conduct, or for any incorrect or misleading documents or information provided to you. The relevant regulator may not have reviewed the accuracy of the data or statements contained in the prospectus (or any similar document) and accepts no responsibility for its contents.

Investments not promoted by the Bank

4.4 In certain circumstances, the relevant regulator may prohibit financial institutions from promoting investments without its prior approval. As such, in the event that you identify an investment that you wish to purchase through the Bank which is not promoted by the Bank and the Bank facilitates such purchase on your behalf, you hereby acknowledge that the Bank has not approached you with any information or solicitation regarding such investment. For the avoidance of doubt, the Bank is

not liable for, nor does it make any representations as to the suitability of, or risks associated with, any such investment purchased through the Bank on your behalf. The relevant regulator may prohibit financial institutions from promoting investments to certain clients without obtaining that relevant regulator's prior approval.

- 4.5 You may, however, based purely on your own research, assessment and initiative identify investments and request that the Bank purchase interests in such investments on your behalf. In such circumstances, you agree that the Bank has not sought the relevant regulator's approval to promote such investments. You acknowledge that the Bank has not, nor will it in the future, approach you with any information for the purchase of any such investments. Furthermore, you also acknowledge that the Bank has not solicited, nor will it in the future solicit, your purchase of any such investments.
- 4.6 In circumstances where you request that the Bank purchases an investment on your behalf pursuant to clause 4.4 and 4.5, you agree that if the Bank agrees to purchase such investment, the Bank shall do so without any liability whatsoever on the Bank or any third-party service providers. Furthermore, you agree that you will indemnify and hold harmless the Bank, its affiliates and any third-party service providers against any actual liability or loss arising out of or in relation to any such purchases.
- 4.7 You understand that by agreeing to fulfil a purchase request pursuant to clauses 4.4 and 4.5, the Bank will reasonably endeavour to inform you in relation to the status and performance of any such investment. However, the Bank shall not be obliged to do so. Furthermore, in the event that the Bank does choose to provide you with any information relating to any such investment, the Bank makes no representation in relation to any such information nor does it guarantee its accuracy.

5. SELLING INVESTMENTS

- 5.1 If you wish to sell or transfer any investment you must give this instruction to the Bank in accordance with clause 3 of Part 1. Where the investment is redeemable,

the Bank will then apply (or procure that an application is made) to the appropriate third-party service provider, representative or issuer of the relevant investment for the redemption of your investment and where it is not redeemable or where you do not wish to redeem, the Bank will seek to arrange for your investment to be sold in the secondary market if such a secondary market exists for the relevant investment.

- 5.2 On the redemption or sale of your investments, the Bank will (or will procure that a third-party service provider will) credit your investment account with the money received as a result, after deducting any losses, costs, fees or expenses incurred in conducting the redemption or sale.

6. FEES

The Bank will charge you documentation and due diligence fees in accordance with the schedule of fees or as separately communicated to you by the Bank in writing from time to time for its services under this Part 2.

7. TIMING

- 7.1 In terms of timing:

7.1.1 if the Bank receives a transaction order and any other documents and information that may be required to process the relevant transaction order from you in respect of an investment by the stipulated cut-off timing of the specific product or service, the Bank will use all reasonable endeavours to send by email, facsimile, letter or any other reasonably acceptable method such instructions to the appropriate issuer or third-party service provider in respect of the relevant transaction in time for the transaction to take place on the desired trade date; or

7.1.2 if otherwise, the Bank will use all reasonable endeavours to send by email, facsimile, letter or any other reasonably acceptable method any such instructions to the appropriate issuer or third-party service provider in respect

of the relevant transaction in time for the relevant transaction to take place on the next possible trade date, provided that any necessary subscription or other money required to be paid by or on behalf of you in respect of the proposed transaction is available in freely available cleared funds in your investment account.

- 7.2 Further information in respect of dealing days and specified cut-off times for the receipt of instructions, orders or other applications can be obtained from the Bank on request.
- 7.3 In any case, the Bank will not be obliged under any circumstances to take any action to process transaction instructions outside of normal banking business hours in the jurisdiction in which the relevant transaction instructions are communicated to the Bank and/or in which the relevant investment is purchased or sold, or (if different) outside the dealing days applicable to the relevant investment.

PART 3: ADDITIONAL TERMS FOR CUSTODY SERVICES

1. APPLICATION

- 1.1 This Part 3 shall apply to you if the Bank provides custody services pursuant to clause 4 to you from time to time, meaning in this Part 3 that the Bank may hold investments beneficially owned by you as custodian on your behalf (whether directly as a custodian or through one or more sub-custodians), or arrange for investments beneficially owned by you to be held by custodians on your behalf, from time to time, in the course of providing you with another service under these terms and conditions.
- 1.2 The Bank will only hold investments beneficially owned by you as custodian on your behalf where the Bank is licensed or otherwise permitted to do so under applicable laws.

2. APPOINTMENT

- 2.1 You appoint the Bank as your agent to provide you with custody services in respect of your investments either directly as a custodian or through one or more sub-custodians for the purposes of holding your investments.
- 2.2 If you use a third-party service provider to provide you with custody services (whether or not arranged by the Bank), the Bank will not be liable or responsible for its selection or any act or omission on the part of that third-party service provider or its personnel or agents (except where expressly stated in these terms and conditions).

3. COMMENCEMENT

Where this Part 3 applies, it will come into effect on the date agreed with you by the Bank in writing or when the Bank provides or agrees to provide you with custody services under this Part 3 separately or in relation to services provided pursuant to another Part.

4. THE BANK'S CUSTODY SERVICES

- 4.1 The Bank shall hold investments on your behalf, for your beneficial interest, in the Bank's name directly with the respective issuer or through third-party service providers acting as custodian and/or sub-custodian.
- 4.2 Unless and until the Bank receives an instruction in accordance with clause 3 of Part 1 from you to the contrary, the Bank will, and will request that each relevant third-party service provider acting as a custodian and/or sub-custodian under this Part 3 will:
- 4.2.1 (to the extent that the Bank or such third-party service provider has actual notice of the relevant event) present for payment any investments which are called, redeemed or retired or otherwise become payable and all coupons and other income items which become payable for your account, and transfer the cash received to your investment account;
 - 4.2.2 maintain custody of all investments, dividends, rights and similar securities issued with respect to any investments held by the Bank on your behalf;
 - 4.2.3 receive, collect and reinvest all dividends, profits and other payments or distributions of income in respect of any investments held for you, and transfer the cash received to your investment account;
 - 4.2.4 exchange interim receipts or temporary securities for definitive securities;
 - 4.2.5 where money is payable in respect of any investments in more than one currency, collect them in such currency as may be permissible by applicable laws and as the Bank and/or the relevant third-party service provider may determine in its discretion; and
 - 4.2.6 complete and deliver on your behalf as beneficial owner any ownership certificates in connection with your investments as may be required by applicable laws.

4.3 On being fully indemnified by you to the Bank's reasonable satisfaction for all associated costs, fees, charges and expenses and on production by you to the Bank of such evidence as may be requested by it, the Bank will execute (or procure the execution by a third-party service provider acting as custodian and/or sub-custodian under this Part 3) such ownership and other certificates and affidavits as may be reasonably requested by you for fiscal or tax purposes in connection with your investments, and will make (or procure the making of) such applications and reports as may be required by applicable laws in order to apply for or secure any tax privileges to which you are or may otherwise be entitled in connection with such investments.

5. THE BANK'S RESPONSIBILITIES

- 5.1 The Bank will reasonably endeavour to record all investments received and held by it (either directly or through the use of third-party service providers acting as custodian and/or sub-custodian) from time to time for your account, separate from its own investments and otherwise in such manner as the Bank determines to be appropriate in its discretion.
- 5.2 Where the Bank maintains custody of an investment on your behalf, the Bank will not assert any beneficial interest in such investment or in any revenues resulting from it. The Bank will segregate all such investments from its own assets and will not include any revenues arising from the investments in its profit and loss account. The Bank will make its auditors fully aware of the fact and record in all relevant books of account that each investment and each and all benefits, gains, revenues or losses arising from it belong beneficially to you and that the Bank has no proprietary interest in such investments and any benefits, gains, revenues or losses arising therefrom.
- 5.3 The Bank will maintain full and complete records and accounts of all matters concerning individual investments made by you under these terms and conditions. From time to time and on written request (and against the payment of all associated costs, fees, charges and expenses), you may request the exhibition and inspection

of these records and accounts and to be provided with photocopies of all or such relevant parts of the same as may be appropriate. For the avoidance of doubt, the Bank may deny such a request if the Bank believes that such a request is unreasonable, frivolous or detrimental to the Bank.

- 5.4 The Bank shall not be liable or responsible for any act or omission on the part of any such third-party service provider acting as custodian and/or sub-custodian or their personnel or agents, nor for any loss that you may suffer as a result of their insolvency. However, the Bank will reasonably endeavour to request that such a third party segregates such investments from its proprietary investments and records in its books and records that such investments do not belong beneficially to it.
- 5.5 The Bank will take all reasonable steps to ensure that it complies with all applicable laws to the extent that such requirement is necessary for the performance of the Bank's responsibilities. For the avoidance of doubt, you will indemnify the Bank in respect of all costs properly incurred in relation to any such measures taken by the Bank.

6. FEES

The Bank will charge you custody fees in accordance with the schedule of fees for its services under this Part 3.

7. CORPORATE ACTIONS

- 7.1 Where the Bank holds investments for you, the Bank will reasonably endeavour to obtain any and all notices issued to holders of those investments.
- 7.2 In all other circumstances, the following will apply:
- 7.2.1 where a third-party service provider acting as custodian and/or sub-custodian appointed as contemplated by this Part 3 does not communicate directly with you and/or make available to you directly any reports and accounts produced by any relevant issuers of your investments, the Bank will reasonably endeavour

to make these (and any other notices or circulars published by such issuers) available to you on request;

7.2.2 the Bank will (and will reasonably endeavour to procure that any relevant third-party service provider acting as custodian and/or sub-custodian will):

7.2.2.1 exercise any proxy, voting and other rights arising out of your investments only in the manner determined and instructed by you in writing from time to time;

7.2.2.2 in the absence of specific written instructions from you on such matters, either exercise any such proxy, voting and other rights arising out of your investments in the manner in which it appears to the Bank or relevant third-party service provider acting as custodian and/or sub-custodian that your interests will be protected and if this is not clear in the discretion of the Bank or the relevant third-party service provider acting as custodian and/or sub-custodian, the Bank or relevant third-party service provider reserves the right not to exercise any such proxy, voting and other rights arising out of your investments, in which circumstances the Bank or any such third-party service provider will not bear any responsibility whatsoever;

7.2.2.3 not make commitments which will bind you (for example, in respect of cash calls or rights issues) without your prior written consent, except to the extent contemplated by this clause 7 and provided that there are sufficient cleared funds in your investment account; and

7.2.3.4 the Bank shall, if required in accordance with your prior written instructions, reasonably endeavour to procure the delivery to you of all notices, proxies and proxy soliciting materials in relation to your investments.

7.3 In the event that a corporate action relates to an option to receive dividends in a

currency that is different to that in which the investment was purchased, you agree that the Bank shall be entitled to instruct any third-party custodian to receive such dividends in the currency of the underlying investment or any other currency.

- 7.4 In the event that a corporate action relates to an option to receive cash or to reinvest dividends, you agree that the Bank shall reserve the right to instruct the third-party service provider acting as custodian and/or sub-custodian to receive the dividend in cash.
- 7.5 You agree that the Bank shall have the right to exercise the default option received from the third-party service provider acting as custodian and/or sub-custodian without obtaining any prior consent or approval from you.

8. STATEMENTS

The Bank will provide you with a periodic statement of your portfolio.

9. GENERAL MATTERS

- 9.1 The Bank is entitled to appoint (and to authorise each relevant third-party service provider acting as custodian and/or sub-custodian to appoint) one or more delegates to hold your investments, without any further consent from you. Each such delegate is also entitled to sub-delegate further the holding of your investments to another third-party service provider acting as a sub-custodian where, in the Bank's or the relevant third-party service provider's opinion, this is necessary or desirable.
- 9.2 You agree that, notwithstanding these terms and conditions, in the event of the insolvency of the Bank or a relevant third-party service provider acting as custodian and/or sub-custodian, a liquidator or other insolvency official may not recognise your beneficial ownership or other proprietary rights in the investments held pursuant to this Part 3, and you may only have a contractual claim against the insolvent estate of the Bank or relevant third-party service provider (acting as custodian and/or sub-

custodian) with respect to any investments held with that third-party service provider.

- 9.3 Investments may be held under specific and/or general pooling arrangements, which may mean that specific investments may not be identifiable by separate certificates or other physical documents of title or equivalent electronic records.
- 9.4 All sales or other dealings in investments held by the Bank on your behalf pursuant to the terms of this Part 3 shall be pursuant to the Bank's permission. The Bank may for any reason withhold such permission for you to sell or otherwise deal with any such investments. If the Bank gives its consent to a sale or dealing at a particular time, this will not constitute a waiver of its right to refuse to give its consent to any other request, and you will also have to comply with any conditions and/or restrictions imposed by the Bank as a condition of its consent.
- 9.5 If the Bank or a third-party service provider acting as custodian or sub-custodian holds an investment for you, it may be possible for the issuer or manager of the investment to instruct it (as the registered holder) to divest, transfer or sell the investment in line with the terms governing the operation of that investment. If this occurs:
- 9.5.1 on becoming aware of this instruction, the Bank will promptly seek your instructions as to how you wish to proceed;
- 9.5.2 if no instructions are received within the time provided for this by the Bank, or if the Bank receives contradictory or conflicting instructions, or if a satisfactory course of action cannot be agreed with the relevant issuer or manager of the investment within any relevant time period, then the Bank will have the discretion to:
- 9.5.2.1 exercise the default option received from the third-party service provider acting as custodian and/or sub-custodian;
- 9.5.2.2 sell the relevant investment (or procure that this is done) and credit your account with the proceeds; or
- 9.5.2.3 (if the Bank is not the custodian) refuse to act altogether.

9.5.3 you agree that the Bank, its affiliates and any third-party service providers will not be responsible for any liability or loss (including lost profits or loss of opportunity) arising out of or in relation to:

9.5.3.1 any sale made by or on the instructions of the Bank notwithstanding whether or not you agree to or otherwise confirm the Bank's decision in this regard; or

9.5.3.2 the Bank's refusal to act altogether in the scenario contemplated in this clause 9.5.

PART 4: ADDITIONAL TERMS FOR TAKAFUL SERVICES

1. APPLICATION

This Part 4 shall apply to you if the Bank provides you with Takaful services from time to time.

2. APPOINTMENT

- 2.1 You appoint the Bank as your agent to arrange or process transactions related to Takaful products in accordance with clause 3 of Part 1 and this Part 4.
- 2.2 All Takaful product contributions will be made pursuant to instructions issued by you or on your behalf to the Bank and the Bank may require such instructions to be in a specific manner or format.
- 2.3 If the Bank arranges or processes a Takaful product subscription for you under this Part 4, this does not mean that the Bank is advising or recommending that you subscribe to such Takaful product, or otherwise consider the subscription to of such Takaful product to be suitable for you.
- 2.4 The Bank will not be responsible for monitoring any Takaful product subscription you make pursuant to this Part 4.
- 2.5 Takaful products are made available to clients based on their need analysis and request. Takaful products are underwritten by respective Takaful providers and issued subject to their terms and conditions. The Bank does not offer Takaful advice, nor does it manage, underwrite or issue Takaful policies. The Bank is not responsible for rejected applications or claims by any Takaful company. Premiums (contributions) received by the Bank for Takaful plans are not bank deposits and are not guaranteed by the Bank.

3. COMMENCEMENT

Where this Part 4 applies, it will come into effect on the date agreed with you by the Bank in writing, or the date upon which the Bank provides you, or agrees to provide you, with Takaful services pursuant to this Part 4, notwithstanding whether or not this has been agreed to in writing.

4. CONTRIBUTING TO TAKAFUL PRODUCTS

- 4.1 If you wish to contribute to a Takaful policy or other Takaful product pursuant to this Part 4:
- 4.1.1 you must instruct the Bank in accordance with clause 3 of Part 1;
 - 4.1.2 the Bank will then process the instruction on your behalf;
 - 4.1.3 you agree that the Bank shall hereby be authorised to debit your investment account or any other accounts maintained by the Bank in your name with an amount equal to any Takaful premium, charges, costs or any other expenses incurred by the Bank or any third-party service provider in relation to the processing of your instructions;
 - 4.1.4 you understand that you must make any requisite periodic payments associated with your Takaful product in a timely manner in accordance with the terms applicable to that particular investment. Failure to make such payments in a timely manner may result in Takaful policy benefits or coverage discontinuation, or termination, or may otherwise result in a negative impact;
 - 4.1.5 the Bank only acts as a distributor of Takaful products and it may not be possible to process your transaction until the relevant third-party service provider has accepted your instructions;
 - 4.1.6 in certain cases where a Takaful product or service has been bundled with any other investment, the contribution of the Takaful component will not be a prerequisite for approval of the non-Takaful product component of such a bundled offering and that you may request the non-Takaful product component

of the bundled offering separately on a standalone basis, unless otherwise notified by the Bank; and

4.1.7 you understand that you must fully and truthfully disclose any material facts related to your current or historic health condition as well as any other relevant information requested by a third-party service provider in connection with any Takaful policy or other Takaful product, as relevant. Failure to disclose such information may result in your instruction being rejected or any future claims that you make under the Takaful policy being denied by the relevant third-party service provider. Furthermore, you must disclose any subsequent changes to any information that you have already submitted or subsequently become aware of which affects (or may affect, as the case may be) the terms of your Takaful coverage or policy in accordance with the terms and conditions of the applicable Takaful policy.

4.2 You understand that by agreeing to fulfil an instruction pursuant to clause 4.1, the Bank will reasonably endeavour to keep you apprised as to the status and performance of the relevant Takaful policy or other Takaful product. However, the Bank shall not be under any obligation to do so. Furthermore, in the event that the Bank does choose to provide you with any such information, the Bank makes no representation as to the accuracy of any such information, nor will the Bank opine in any other regard as to such information.

4.3 Once your Takaful application is approved and the policy is issued by a relevant third-party service provider, the Takaful policy and any other relevant documents may be sent to the address you have provided to such third-party service provider.

4.4 You must ensure that you carefully read and understand the terms and conditions applicable to each Takaful policy or other Takaful product that you subscribe to pursuant to this Part 4. Furthermore, you agree to and are fully aware of all applicable benefits, cancellation rights, premium commitments, scope of cover, exclusions, limitations, conditions, claims procedures, investment risks and any other relevant matters set out in the terms and conditions applicable to the relevant Takaful product

you subscribe to.

- 4.5 You agree that the Bank shall not facilitate or otherwise be involved in the submission or processing of any claims made in accordance with the terms of any Takaful policy subscribed to pursuant to this Part 5. You further agree that you must make any such claims in a manner consistent with the claims procedures set out in the terms and conditions applicable to the relevant Takaful policy.
- 4.6 You understand that any Takaful policy that you subscribed to pursuant to this Part 4 shall constitute a contract between you and the relevant third-party service provider and that the Bank shall not be a party to any such contract.
- 4.7 If you wish to contact the third-party service provider that has provided a particular Takaful policy or other Takaful product, you must follow the contact instructions or information set out in the terms and conditions applicable to the relevant Takaful policy or other Takaful product.

5. SURRENDERING YOUR TAKAFUL POLICY

- 5.1 In the event that you wish to fully or partially surrender any Takaful policy you contribute to pursuant to this Part 5, you must instruct the Bank in accordance with clause 3 of Part 1. Where a Takaful policy is redeemable, the Bank will then apply (or procure that an application is made) to the appropriate third-party service provider for the surrender of your Takaful policy.
- 5.2 Upon the termination or surrender of your Takaful policy, the Bank will (or will procure that a third-party service provider will) credit your account with the money received as a result, after deducting any actual losses, costs, fees or expenses incurred in conducting the redemption or sale, subject to the Bank's rights as set out in clauses 11 and 17 of Part 1.
- 5.3 Actual full or partial surrender amounts will be determined by the relevant third-party service provider.

APPENDIX 1: GENERAL RISK WARNINGS

You agree that the following general risk warnings are applicable to your investments with the Bank under these terms and conditions, and that the Bank and third-party service providers shall not be liable in any manner whatsoever for any costs, fees, charges, expenses, losses or liabilities that you incur, whether directly or indirectly, arising out of or in relation to the risks set out below:

1. GENERAL INVESTMENT RISKS

- 1.1 Investments carry an inherent risk of loss. The value of investments can fall as well as rise and there is no certainty in recouping the amount of money originally invested. Similarly, the income from certain investments can fluctuate in value in money terms, while certain investments do not generate any income. There also can be no assurance that the performance of investments will achieve the stated objectives.
- 1.2 Past performance of investments is no guarantee of future results.
- 1.3 Certain investments may not be liquid or may not be sold prior to maturity save at severe costs and penalties. Certain investments may also not have a ready market, such that determining the current value of such investments and the risks to which they are exposed may not be readily available.
- 1.4 Even where an investment is expressed to be principal protected or capital guaranteed, this is not a guarantee by the Bank or any third-party service provider, but by the issuer of the investment that the amount invested will be returned on maturity. Repayment of such capital protected or guaranteed investment is typically subject to the investment being held until maturity and to the credit-worthiness of the issuer.
- 1.5 Obtaining finance for investments increases the level of risk.

2. FOREIGN EXCHANGE RISKS

- 2.1 The potential for profit or loss from transactions on foreign markets or in foreign denominated investment products will be affected by fluctuations in foreign exchange rates, and it is possible that a person investing in a foreign currency denominated investment may suffer a loss or make a smaller-than-expected profit after converting the sale proceeds back into the person's home currency even where the price of the investment in question (as quoted in the foreign currency) increased during the holding period. Foreign currency investments may also be subject to exchange controls and repatriation costs.
- 2.2 Maintaining accounts or investments denominated in a foreign currency may give rise to certain risks. You understand those risks and agree to bear the responsibility of any foreign exchange losses resulting from any investment services provided to you by the Bank. The currency will be converted to another currency, if necessary, at the rate of exchange determined by the Bank.
- 2.3 You will be solely responsible for any foreign exchange costs or losses, including lost profits, and recognise that investments in assets denominated in a foreign currency carry an additional degree of risk.

3. LIQUIDITY RISKS

If your portfolio includes investments in alternative strategies, property funds or Takaful-linked investments, these investments may be illiquid or involve risks greater than, or not normally associated with, investments in traditional securities markets. In particular, such funds or strategies may use Shariah-compliant derivatives for directional investing. Certain other investments, including equities and Sukuk may, from time to time, also lack liquidity.

4. JURISDICTION RISKS

- 4.1 If your portfolio includes investments in foreign markets, these investments will

involve different risks from investments in the UAE. In some cases, the risks will be greater and, in particular, emerging markets (including the UAE) may lack the level of transparency, liquidity, efficiency and regulation found in more developed markets. Price volatility in emerging markets can be extreme and price discrepancies and market dislocation can be common.

- 4.2 The concept of beneficial interest and/or ownership is not expressly recognised by the legislation currently in effect in the UAE (with the exception of the DIFC and the ADGM). The Bank may hold some or all of your investments in its name, or in the name of third-party service providers, for your beneficial interest. Certain UAE government authorities, regulators, and courts may not recognise your beneficial interest in investments held on your behalf by the Bank or third-party service providers pursuant to these terms and conditions. The Bank shall not be liable for any losses, including any lost profits, that you incur, whether directly or indirectly arising out of or in relation to the non-recognition by any party in the UAE of your beneficial ownership and/or interest in any investments acquired by you pursuant to these terms and conditions.

5. PORTABILITY RISKS

- 5.1 Your jurisdiction of residence may increase your liability in respect of certain investments. By way of example, a third-party service provider through which you purchase an Takaful investment with Takaful elements may have determined your periodic premium payment on the basis of the jurisdiction in which you reside at the time of purchase of the investment. In such circumstances, a change in your jurisdiction of residence may change your risk profile vis-à-vis such third-party service provider and result in a higher periodic premium payment for you.
- 5.2 Some investments may not be available to individuals resident in certain jurisdictions. If, following the purchase of such an investment, you become resident in a jurisdiction the residents of which are not permitted to hold such an investment, you may be

required to divest such investment.

- 5.3 Your jurisdiction of residence may impact the enforceability of some or all the terms and conditions (including, but not limited to, these terms and conditions) applicable to your investments. Accordingly, if you change your jurisdiction of domicile following your purchase of a particular investment, some or all the terms of such investment may not be enforceable in your new jurisdiction of residence.
- 5.4 Some jurisdictions may restrict or prohibit transactions or the transfer of assets to certain other jurisdictions. This may impact your ability to transfer, redeem, or sell an investment.
- 5.5 The Bank shall not be liable for any losses, including any lost profits, that you incur, whether directly or indirectly arising out of or in relation to any of the risks described in clauses 5.1 to 5.4 in respect of any investments acquired by you pursuant to these terms and conditions.

6. CREDIT RISK

- 6.1 The value, yield and liquidity of certain investments, such as Sukuk may fluctuate on the basis of the credit rating of the issuer. The factors affecting such credit ratings are varied and may be difficult to accurately predict. An adverse credit event such as a default, bankruptcy, unfavourable business performance or economic conditions or other situations which are recognised as affecting the creditworthiness of the issuer may cause the value, yield and liquidity of such an investment to fluctuate. A higher relative rate of profit typically corresponds to a higher perceived credit risk associated with such an investment.

7. BENCHMARK RATE RISK

- 7.1 The value of an investment that is linked to a benchmark such as LIBOR, EIBOR or any other independent benchmark or index may fall if a relevant benchmark rate rises. The tenure of the relevant investment corresponds to the investment's sensitivity to

benchmark rate fluctuations. As such, the value of investments with a longer duration will be more sensitive to relevant benchmark rate fluctuations.

7.2 There are various economic factors which may impact whether benchmark rates rise or fall. Generally, benchmark rates rise when favourable general economic conditions prevail and fall during unfavourable economic conditions.

7.3 The rates of inflation in a particular jurisdiction also impact benchmark rates. Generally, high rates of inflation cause benchmark rates to rise, whilst lower rates of inflation generally have a moderating effect on benchmark rates.

8. EARLY REDEMPTION RISK

Certain investments may be redeemed by the issuer prior to maturity, which may result in a change to the yield you anticipated in relation to such an investment.

9. TAX RISK

You may be subject to certain applicable laws that impose taxes on the capital appreciation of, or income generated from, a particular investment.
